I have completed a Masters (MA) degree in Counseling from Missouri Baptist University in St. Louis, Missouri. The content of my coursework included developmental psychology, couples therapy, marriage and family systems, multicultural competency, grief and loss, and legal and ethical issues as they relate to individual, couples, family, and group counseling. I've obtained additional professional training in Eye Movement Desensitization and Reprocessing (EMDR) and implement this as appropriate for processing trauma.

As a Licensee of the Oregon Board of Licensed Professional Counselors and Therapists, I abide by its Code of Ethics. To maintain my license, I am required to participate in continuing education, taking classes dealing with subjects relevant to this profession.

I am Private Pay only. My fee is \$75 per clinical hour (55 minutes). I have a few sliding scale fee slots – please ask about these.
